

2019 Firefighters' Challenge

The Firefighters' Challenge takes place at the 10th annual **Frank Shorter RACE4 Kids' Health 5K** in Broomfield at the 1STBANK Center on Sunday, April 7th, 2019.

Fire districts challenge one another to participate in the 5k to rally communities around the health of children. All employees and their families who register and complete the 5k count in the challenge. Visit www.race4kidshealth.com to register and be certain everyone registers under your team name.

The fire district with the most people who finish the 5k will be awarded the *Fast Exit* bronze designed by retired firefighter Paul Olesniewicz. This traveling award resides in the winning fire district each year. Congratulations to North Metro Fire Rescue, our 2018 defending champions! Good luck to Longmont Fire Department, our 2016 winners.

The bronze is generously donated by the Arista Community Foundation of Broomfield. The oak pedestal is made and donated by Broomfield resident, Ray Rada.

The Frank Shorter RACE4Kids' Health benefits the nonprofit Healthy Learning Paths' mission to spread the power of health for children. Learn more at www.healthylearningpaths.org.
